

दि. १४/११/२०२४

नोटीस

सर्व प्राध्यापक व विद्यार्थ्यांना कळविण्यात येते कि, दि. १६/११/२०२४ रोजी सकाळी १०.०० वाजता रसायनशास्त्र, गणित, भौतिकशास्त्र या विषयांतर्गत "Nobel Lauretes In 2024" या विषयावर भितीपत्रकाचे आयोजन करण्यात येत आहे. तरी सर्वांनी उपस्थित रहावे.

प्राचार्य

आनंदी शिक्षण प्रसारक मंडळ कळंबे तर्फे कळे,

पद्मश्री डॉ. ग. गो. जाधव महाविद्यालय, गगनबावडा
गणित विभाग

भित्तीपत्रिका उद्घाटन

- विषय :- "Nobel Lauretes In 2024"
- उद्घाटक :- प्राचार्य डॉ. टी. एम. पाटील
- प्रास्ताविक :- प्रा.आर.आर. सरनोबत
- आभार - प्रा. ए. जी. धामोडकर

दि. १६/११/२०२४

स्थळ : महाविद्यालयाचे व्हरांडा

वेळ : १० वा.

PAD.DR.G.G.JADHAV MAHAVIDYALAYA,GAGANBAVDA

DEPARTMENT OF Mathematics

WALLPAPER PRESENTATION

SUBJECT-"Nobel Lauretes In 2024"

On Nov.16/11/2024,wallpaper presentation was organized on the subject of "Nobel Lauretes In 2024" under the department of chemistry at Pad.Dr.G.G.Jadhav Mahavidyalaya,Gaganbavda. This wallpaper presentation was organized by Prof.R.R.Sarnobat and Prof.A.G.Dhamodkar . This wallpaper was unveiled by Principal of the college Dr.T.M.Patil,on this occasion the vice principal of the college Dr.S.S.Panari

,Prof.A.S.Kamble,Prof,A.R.Gavakar,Prof.Dr.S.S.Bhosale,Prof.R.S.Kamble, Prof.S.S.Ghatage,Prof.A.S.Jamadar,Prof.S.A.Mohite, Prof,S,S,Desai and students were present. On this occasion we got guidance from Founder President of the Institute Prof.satish Desai and Funder Secretary Dr.Vidhya Desai.

MATHEMATICS

Nobel Laureates in Mathematics 2024

Michael Atiyah

Michael Atiyah is a British mathematician who has made significant contributions to the field of topology. He is best known for his work on the index of elliptic operators, which has applications in physics and geometry. He was awarded the Nobel Prize in Mathematics in 2024 for his groundbreaking work in the field of topology.

John Nash

John Nash is an American mathematician who has made significant contributions to the field of game theory and differential geometry. He is best known for his work on the Nash equilibrium, which has applications in economics and political science. He was awarded the Nobel Prize in Mathematics in 2024 for his groundbreaking work in the field of game theory.
