

Academic and Administrative Audit

We have conducted the Academic and Administrative Audit of Anandi Arts, Commerce and Science Mahavidyalaya, Gaganbawada, and noted our observations as below.

A) Academies: The college offers three undergraduate programs viz. B.A., B.Com. and B.Sc. affiliated to Shivaji University, Kolhapur.

1) Flexibility: Seven subjects are offered to B.A. Students. They are Marathi, Hindi, English, History, Political Science, Sociology and Economics.

In B.Sc. Programme five special subjects are offered viz. Physics, Chemistry, Mathematics, Botany and Zoology are offered.

In B. Com programme only one subject Advance Accountancy is offered as optional subjects.

2) Teaching Provision: In Commerce Faculty there are 3 fulltime Assistant Professors duly appointed and approved by the university and Jt. Director Higher Education, Kolhapur Region. There are two teachers English and Business Statistics appointed on clock hour basis as approved by Jt. Director Higher Education, Kolhapur Region on year to year basis.

In Arts Faculty 17 Assistant Professors are locally appointed.

In science faculty 16 Assistant Professors are locally appointed for 11 months.

The posts of Physical Director and Librarian are vacant and hence filled in on clock hour basis as approved by Jt. Director Higher Education, Kolhapur Region on year to year basis.

3) Teachers Quality : Of four regular and on roll teacher three are doctorates and the remaining one is SET qualified. Of the teachers appointed for non grant programmes three teachers are doctorates and two SET/NET qualified.

4) Computer Laboratory : The College has setup a well-equipped computer laboratory with LAN and Internet facility.

B) Administration:

1) Nature of funding : The Commerce faculty is on grant - in - aid basis from A. Y. 2009-10 and Arts and Science Faculties are on permanently non- grant basis.

2) Office : There are two computers installed in the office for providing service to students

The admission process is computerized from A. Y. 2016-17. The examination process is also computerized. There is a provision of issue of online transfer certificates. Necessary registers and books of accounts are maintained in the office.

3) Library : The college library has 6839 textbooks and reference books.

There are 27 National and International Journals available in the library. The library has subscribed to E- journals. The library services have been computerized from A.Y. 2016-17.

Recommendations :

- 1) Qualified teachers be appointed for B.A. and B.Sc. programs
- 2) Use of ICT be increased in teaching process.
- 3) Teachers be deputed to orientation and/or refresher courses.

- 4) Teachers participation in National/ International seminars, conferences and workshops be increased.
- 5) More attention be paid towards publication of papers.
- 6) More computers with internet connectivity be provided to students in library.
- 7) Study space to the students and staff be increased.
- 8) The vacant posts of Full time librarian and physical Education Director be filled.
- 9) Adequate laboratory facilities be provided to students.
- 10) Skill oriented courses be conducted every year.
